This Game"Those who control the present, control the past.. For the first part of the game, play as 2 separate parties, as the story
goes back and forth between them.. Another nice feature often lacking in these budget JRPG's and lacking here as well, is for
the combat menus to remember your input from the previous round, and for you to be able to hold down the button to get
through repetitive combat a little more comfortably.. FeaturesCustomize your game to suit your preferencesChoose between
visible and invisible enemiesIf you choose invisible enemies, vary the encounter rate from the menuChoose your difficulty
level: Easy, Normal, Hard, Legendary.. steam a timely intervention a timely intervention fish counter a timely intervention
secret rooms.. Each party has its own hopes and goals; when they meet can those be reconciled as they join forces? And how can
they know what their choices will bring? Delve into a brand new world full of characters, secrets and possibilities. 0041d406d9
